

Wet Look Floor Polish

Super Wet Look Floor Polish is a metallised acrylic polymer emulsion which dries to provide a tough, slip resistant, wet look shine. Suitable for most hard floors, it is ideal for use in high traffic areas, such as offices, hospitals, schools and public areas.

-  Long lasting shine and protection
-  Slip resistant surface
-  Excellent levelling for smooth finish
-  Suitable for most hard floor surfaces

Wet Look Floor Polish

Super Wet Look Floor Polish is a metallised acrylic polymer emulsion which dries to provide a tough, slip resistant, wet look shine. Suitable for most hard floors, it is ideal for use in high traffic areas, such as offices, hospitals, schools and public areas.

Cap Instructions:
 To remove cap: Press down on a firm flat surface. Grip cap and turn well—downward.
 To replace cap: Place bottle on a firm flat surface. Grip cap and screw back into well tightly.

Directions for use:
 Preparation: If necessary remove all old worn polish using Super Floor Stripper (Stage 1).
 Sweep and dry floor thoroughly.
 Sweep finished floor to ensure no loose particles of dirt.

Application:
 Apply Super Wet Look Floor Polish (Stage 2) neat in thin, even layer using a mop.
 Allow to air dry (approx. 30 minutes) then apply a second coating.
 Maintain shine with Super Floor Maintainer.

Coverage:
 1 litre will cover 50 square metres (20m² per quart metric).

Storage: Store sealed in original container in a cool, dry place away from sunlight.

*One Super Sack is planned for every £1,000 spent.

Do not get in eyes, on skin or on clothing. Wash contaminated skin thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF eye irritation persists: Get medical advice/attention.

Dispose of contents/container in accordance with local regulations.
