

# Concentrated Degreaser

Eco Select™ Concentrated Degreaser provides control to routine hygiene operations. The specially designed bottle enables exact dosing and optimised economy.

Formulated to tackle the toughest of jobs where grease and grime call for extra cleaning power. Its versatile formula can be used on a wide variety of surfaces including tiles, worktops, painted surfaces, vinyl and stainless steel. The fragrance free formula makes it ideal for use in food preparation areas.

- Superior degreasing power
- Cuts through grease & grime
- Low smear formula
- Fragrance free
- 1ltr makes 100 Trigger Sprays or 50 Buckets

**Cap Instructions:** To remove cap: Place bottle on a firm flat surface. Push down cap and turn anti-clockwise.  
To replace cap: Place bottle on a firm flat surface. Screw cap clockwise until tight. If correctly closed, the cap will give a click if turned anti-clockwise.  
**Directions for use:** Once open, squeeze bottle until measure fills to desired dose.  
**For trigger bottles:** Add 600ml of clean water into the trigger bottle. Then add 1 x 10ml dose of product. Shake gently to mix.  
**For general cleaning:** Add 5 litres of warm water into a bucket. Then add 1 x 20ml dose of product. Stir to mix.  
**Note:** Use only as instructed. Do not use undiluted.  
**Storage:** Store sealed in original container in a cool, dry place away from sunlight.
