

Janitol® Original

Multi-Purpose Cleaner for general cleaning and degreasing applications

PRODUCT DESCRIPTION

Fast acting multi-purpose alkaline cleaner for general cleaning and degreasing applications like the removal of oils, fats, greases, general soils and stubborn burnt on food deposits.

WHERE TO USE

Any public facility, industrial or food manufacturing environment.

INSTRUCTIONS FOR USE

For use on most washable hard surfaces. Apply by brush, mop, trigger sprayer, cloth, pressure washer or floor scrubber (See guide below).

- Apply solution to surface to be cleaned at required level of dilution.
- Leave on surface for a few minutes to break down soiling.
- For heavier soiling, increase contact time as necessary but do not allow surface to dry.
- Rub surface to loosen soiling.
- Rinse well with water.
- Not for use on surfaces that may come into contact with food.

DILUTION GUIDE

Dilute with water depending on surface and application needs. The use of hot water will increase the product's cleaning ability.

For general cleaning:	Dilute 1:80 - 1:40 (1.25% - 2.5%)
For heavy cleaning and degreasing:	Dilute 1:40 - 1:10 (2.5% - 10%)
For floor scrubbing machinery:	Dilute 1:80 - 1:10 (1.25% - 10%)
For pressure washer application:	Dilute 1:100 - 1:10 (1 - 10%)

SPILLAGE

In the case of spillage, mop up bulk and dilute remainder with water. Treat large spillages as industrial waste.

STORAGE

Store in original sealed container. Avoid extremes of temperature. This packaging is recyclable or can be disposed of, if well drained, as normal domestic or industrial waste.

	DESCRIPTION	BENEFITS
FEATURES	Fast Acting and Effective Cleaner	Contains caustic alkali for powerful degreasing to remove oils fats and stubborn burnt on food deposits. A blend of cationic amphoteric and non-ionic surfactants for effective cleaning.
	Not made with solvent or perfume	Suitable for use in environments where odours are sensitive e.g. in the food industry.
	Versatile, Concentrated Cleaner	Wide range of dilutions for maximum cost efficiency. For use on all hard surfaces in industrial environments.
	Safe for Use on Surface Coatings	Will not damage paintwork, varnish and other surface coatings when used as instructed.
	Non-Flammable	No restrictions on use or storage.
	Free Rinsing	Rinses completely away from surfaces leaving no residue.
