

## Mr Muscle® Oven Cleaner

NO SCRUBBING REQUIRED

Removes tough grease and grime

### Product Description

**Removes burnt on grease, food and spills effectively and leaves a sparkling clean oven.**

- Removes tough grease and grime
- Self-scouring foam formula
- Leaves surfaces sparkling clean

### Where to use:

Ovens

### How to use:

1. Wear rubber gloves and protect arms while spraying and cleaning. Avoid contact with skin and eyes at all times. If splashed, to prevent burns, wash immediately with plenty of water for at least 20 minutes and seek medical advice.

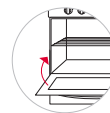

2. Switch off electricity or turn off pilot light. Adequately protect the floor under the oven and all surrounding external surfaces. For easy application remove oven racks.

3. Shake can well before and during use. Hold can upright at all times.

4. Spray on internal surfaces including glass door from 20-30cm. Do not spray onto oven trim, pilot light or heating element.

5. Close oven door and allow to work for no more than 30 minutes.

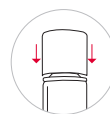

6. Wearing gloves, wipe thoroughly with a damp cloth or sponge taking care to avoid contact with the skin and eyes. Beware of splashes and drips. If splashed, wash immediately with plenty of water for at least 20 minutes and seek medical advice.

7. Remember to ventilate oven before turning on electricity or relighting pilot bulb.

8. Repeat process for stubborn stains and over-soiled ovens if needed.

9. Replace child-resistant cap after use.

- For use on oven interior only.
- For use on cold ovens only.
- Do not use on self-cleaning ovens, hot ovens, exterior surfaces, chrome aluminum, zinc, copper, plastic or polished/lacquered surfaces.
- Do not use outdoors.
