

TF Ultra™ Dispenser

PRODUCT DESCRIPTION

Attractively-designed, power-efficient touch-free dispensing system for use with SC Johnson Professional® foaming hand hygiene products.

USAGE

Suitable for use in any public facility washroom. Also ideal for use in hallways, office and reception / lobby areas in conjunction with InstantFOAM® Complete hand sanitiser and dispenser stand.

INSTRUCTIONS FOR USE

Simply hold hand under dispenser to activate. No touch required.

FEATURES	BENEFITS
'Touch-Free' Dispenser	Encourages use and minimises risk of cross-contamination.
Versatile	Can be mounted on walls in washrooms, corridors and hallways or on SC Johnson Professional's free-standing chrome stand.
Exceptionally Long Battery Life	The power provided by 4 D-Cell batteries will provide up to 5 years of operation in typical usage conditions.
Reliable	Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light & humidity.
Robust & Long-Life	Dispensers are guaranteed against normal wear and tear for 5 years, subject to correct installation and dispenser care.
Large Capacity	Cartridges contain 1200ml of SC Johnson Professional® foam hand wash product providing approximately 1714 applications and 1000ml of SC Johnson Professional® foam hand sanitisers providing 1429 applications.
Fixed product dose	Controls product usage to help prevent over-dosing and waste.
Unique locking mechanism	Helps prevent unauthorised access, pilferage and product contamination.
Translucent body	Helps provide product level visibility to identify when product needs replacing.
Simple cartridge replacement	Designed for exclusive use with SC Johnson Professional® skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
Hygienic, airless cartridge	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
Minimal waste	The air-tight cartridges are designed to collapse to minimise product waste.

TF Ultra™ Dispenser
