16 L

35 CM

Our G14^B is the most compact walk-behind floor scrubber in the range. Designed for effective cleaning of hard-to-reach narrow spaces, its powerful battery can work for up to 2 hours.

Ideal for offices, small retail shops and gyms.

Features & Benefits

Enhance Your Cleaning Efficiency

With a standard AGM battery you can continue cleaning for up to 2 hours.

The adjustable handle bracket, is designed to withstand heavy use during its lifetime.

Safety on Priority

Key switch design, lowers risks of mistouching and ensuring safety.

Functional handle switch, double protection.

Gym

Store

Office

User-friendly on Operation and Maintenance

Adjustable squeegee up-and-down design, flexible for uneven surfaces.

Adjust the height and angle of the handle for user comfort.

180° cambered rotary squeegee, leaves no dirty corners.

Upgraded structure design of the recovery tank, leaves no risks of silting.

Compact design, convenient for storage and shipping.
