TRIM SHINE

INTERIOR TRIM CLEANER POLISH

- Ready to Use
- Contains Silicones
- Pleasant Fragrance

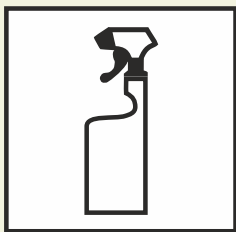

A ready-to-use clean and shine polish, which cleans and polishes in one application. Contains cleaning agents and silicones for a lasting finish. No white residue, ideal for door shut cleaning. Refreshes the interior with a pleasant fragrance.

USES

Designed for cleaning and polishing vehicle interiors such as sealed wood trim, plastics, rubber, mirrors and paintwork.

DIRECTIONS

A. Use a trigger spray and apply evenly to the surface, wipe over with a clean lint free cloth.

B. Wet a clean lint free cloth with TRIM SHINE. Apply a thin film evenly to the surface and then use a clean lint free cloth to buff the surface.

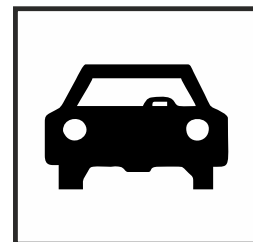

N.B. Do not use on driving controls ie. accelerator, brake or clutch pedals.

DILUTIONS

TRIM SHINE comes ready to use. Use undiluted.
